

## Are you...

... medical or behavioral health clinician working in primary care?

...a trainee or early career professional interested in working in primary care?

...a primary care administrator interested in developing integrated behavioral health services in your clinic?

If so, please join us for the sixth meeting of the

## Integrated Primary Care Behavioral Health Networking Group of Greater Houston

Friday, March 24, 2017 2:30 – 4:00 PM

**Discussion topic:** Updates in Integrated Care Practice in Houston and

Beyond

Discussion leader: Stacy Ogbeide, PsyD, Assistant Professor/Clinical,

Depts. Of Family & Community Medicine and

Psychiatry, UT Health San Antonio

## Why attend?

- Meet others practicing in or interested in primary care behavioral health.
- Learn from and share your knowledge with others practicing in/interested in similar settings.
- Provide your input to shape the direction of the group and future meetings the sky's the limit!
