### Login for Educator Learners

This information will be needed by your educator learners to access the courses. They can create an account by clicking the link below and using the enrollment key provided.

**Website:** <https://www.kognitocampus.com/>

**Enrollment Key for Learners:** MHAHouston34

\*\*If you have an existing Kognito account, please log-in on [www.kognitocampus.com](http://www.kognitocampus.com) and click on your name at the top right hand corner to access your Account Menu. Within the Account Menu, click on "Add Enrollment Key" and enter MHAHouston34. Your new MHA Houston simulation will appear.

### Technical Support

Learners and administrators may contact the Kognito customer and technical support team directly at [support@kognito.com](mailto:support@kognito.com) or 646.923.8632. Please note that support hours are from 10AM - 6PM EST Monday to Friday. But you may also check out Support Center at [support.kognito.com](http://support.kognito.com) with the most commonly asked questions including computer requirements and lost password help.
